

Colour your own '40th Anniversary' bandanna!

40TH ANNIVERSARY

Jasmine Sarin, Kamilaroi and Jerrinja woman and artist

Canteen's 40th Anniversary Bandanna is a symbol of strength, resilience, and community. The expanding circles represent Canteen's growing impact over the past four decades, while the dotted lines reflect the personal journeys to care and support. The background honours the thousands of families touched by cancer.
